Dear Ms. Khalid,

Thank you for contacting me regarding the immigrant visa petition of Mr. Assadullah Kahlid. I realize that this is a matter of great concern to you and I appreciate having the opportunity to be of assistance.

On your behalf, my office contacted the U.S. Citizenship and Immigration Services (USCIS) and asked them to please research your case. We also requested that they keep us informed of progress made in this matter. The USCIS informed us that this case is still undergoing administrative processing, and unfortunately, they are not able to predict how long this process will take. However, please be assured that my office will contact you when USCIS gives us further information as they are aware of my keen interest in this matter.

I understand that this must be very difficult for you, however, USCIS must follow all U.S. Laws and regulations related to adjudicating visa and immigration cases. Although this information is not as complete as we had hoped, I trust that you will find this information helpful.

Again, thank you for bringing this matter to my attention. Should you have any questions or require additional information, please contact my office directly at (703) 256-3071.

Sincerely,

Gerald E. Connolly
